Travelling to Usti

If you fly to Prague, you need to get to the main train station by taxi or by taking bus no.119 to the final stop at Dejvicka, then take the metro from Dejvicka to Muzeum and finally change to the red metro line and go one stop to the Hlavní nadraží main station. One ticket for 26kc will cover the whole journey from the airport to the station. Fast inter-city trains travel every hour from Prague to Usti and take just over one hour.
